

This spreadsheet was designed to serve as a resource. It is updated regularly but when in doubt, please call the winery to confirm their most current policies. There are some rules that you'll find no matter where you go: **1) Masks are required** any time you're not seated. **2) Alcohol consumption must be accompanied by a food purchase.** This is fulfilled by wineries small food items at a nominal fee. **3) Social distancing must be practiced at all times.** Group size restrictions and bus/limo policies are FIRM. DO NOT attempt to skirt the rules by splitting your group, unless that is explicitly allowed by the winery you are visiting. Otherwise, your group will be turned away. **4) Please respect the NYS Travel Advisories** and refer to the restricted travel list to ensure your state is not on the list *before* traveling to the region.
